Re: Flex Lunch

Happy Homecoming week from Center High School! Things are off and rolling here at CHS, and we are ready to begin our Flex Lunch which will provide opportunities for students to receive Academic support during the school day. The timeline of events are listed below. On the back of this paper is the bell schedule that we will use. You will notice the start time is two minutes earlier, and if you bring your student lunch please note the time when lunch occurs. It is likely the time they choose to eat lunch will change daily. Please coordinate lunch deliveries with them, as to ensure campus safety we will continue our current lunch delivery plan. Before we start the actual Flex lunch students will have three days in a “homeroom” period so we can better train and help them to plan their time. We will be using Google applications for them to schedule their week and they will receive a confirmation email upon entering their plan, which summarizes their Flex Lunch week. Should you have any question please ask your child or call Center High School 936-598-6173.
